

Arts and crafts. 5.º E. P.

Make a collage for the topic “Spring is here” following these steps.

1. Choose a base for your collage. The base can be as simple as a piece of paper or any other surface you can work on.
2. Collect the items to glue onto your base. Use scissors or whatever you need to shape the items. Use your imagination, and anything you have on hand, to make your collage.
3. Glue all the items and create your collage.
4. Take a picture of it.
