6.º E. P.

Hello kids!!

How are you doing? And how are your families?

It's a difficult situation for everyone, but I'm sure you all are very strong and will be fine.

Keep your spirits up!

In the meanwhile, you can do the following activities and send them to: anasanfernandoprimary@gmail.com. If you have any questions, use this email too.

Vocabulary exercises:

This week I just want you to practise "Vocabulary". You can find several "Word games" in this page:

Also, take some minutes every day to watch these videos, they are very easy to understand and funny.

1. "My name is Gogo" and "What's his name?"

I hope to see you soon!
